08:00 – 08:30: We will take you to Tay Ninh – a province 95 km South East of HCMC, close to the Cambodian border. The Cao Dai Temple is exemplary show of colorful Eastern design. Its exterior is decorated with multi-colored dragons of all different shapes and sizes competing for space with a number of swastikas. Above the main entrance is the all-seeing holy eye, the symbol of the Cao Dai sect. The interior is just as engaging with statues of Jesus Christ, Buddha and the Hindu god, Brahma all standing shoulder to shoulder.

After lunch, we will leave Tay Ninh and travel to Cu Chi. Once in Vietnam, one of the most omissible spots of Vietnam. This is where guerilla warfare optimized and practiced. You'll learn about the intuitive design of the tunnels and the devious use of trap doors. Even with B-52 bombers dropping 30-ton loads of explosive, turning the jungle into a pockmarked moonscape, 30 thousand American troops failed to conquer the area! You'll have a good chance to crawl around a portion of the 121 km long, multi-layered tunnel. You'll gain a fascinating insight into living underground and undetected for weeks at a time.
