On the boat, you'll pass through natural creeks, quiet villages and be able to see rural people going to work. You will see an interesting fishermen's port and unique stilt houses (half on land, half on water). One of the boat's stops during this trip is at a large orchard that has many different types of tasty tropical fruits for you to try. Another boat stop is for the Turtle Island (1hr from the previous stop). Here, on a small row boat, you'll see unique transportation modes that local people use to get about. From there, we'll take you to a bee farm where you will have a good chance to taste a delicious cup of authentic honey tea, and listen to South Vietnamese folk music.

After that, we'll take you to a famous village where you can smell the flavor of coconut candies being made nearby. This is a great chance to witness how well the local people make candy and handcrafted items from coconuts. You'll learn about the many useful products made from coconut trees.

As the journey finishes, you will return to My Tho by boat and then continue on to travel to Can Tho. Overnight in Can Tho.
