After a healthy breakfast at the hotel your day of excitement begins. Departing around 8am you will travel to, Tay Ninh province, 95 km South East of HCMC near the Cambodia border to visit the Cao Dai Temple. This amazing place is often called the Disneyland of the East. Its exterior is decorated with multi-colored dragons of all shapes and sizes. Above the main entrance is the all-seeing holy eye, the symbol of the Cao Dai sect. Inside you will be surprised to find statues of Jesus Christ, Buddha and the Hindu god Shiva, standing side by side, a wonderful example of religious harmony.

We provide lunch at one of the local restaurants.

After a local lunch, you travel to Cu Chi. This famous tunnel complex demonstrates the extent to which the freedom fighters had to go to survive the carpet bombing technique of the U.S. B-52s and the search and destroy missions of the American ground forces. The tour takes you into an underground world that will both amaze and intimidate you, especially if you choose to follow the claustrophobic tunnels that were both home and hospitals to thousands of guerilla fighters working for the independence and freedom Vietnam now enjoys.
